

DEPARTMENT OF POLITICAL SCIENCE

Literature, spring 2024

SF2222, Citizens, Politicians and the Media, 15 credits

The course literature consists mainly of articles from scientific journals and books. The full list can be found in the course guide, and the texts can be accessed by GU students via the library's electronic resources, unless otherwise stated. In some cases, paper handouts are provided, or files uploaded by lecturers.

In addition there are two extra-curricular text books listed below (available from the book store and in the university library). These are to be considered as background reading, and not included in the literature for the examinations.

Extra-curricular books

- Dalton, Russell J. 2019, 7th edition. *Citizen Politics. Public Opinion and Political Parties in Advanced Industrial Democracies*. Washington DC: CQ Press. 360 pages.
- Iyengar, Shanto. 2018, fourth edition (third edition is also okay). *Media Politics. A Citizen Guide*. WW. Norton & CO. 416 pages.
