

Agenda IAGG meeting, 13:15-16:00, April 10, 2024 in Pilen

13:15-13:20. Welcome!

13:20-13:50. Introduction to the program

Director of studies Agnes Cornell gives a short introduction to the structure of the program followed by short presentations of the courses: AG2110, AG2120, SF2324, AG2500, and internship courses. (Each one of the course coordinators gives a 5-minute presentation of their course.)

13:50-14:05 How to formally deal with suspicions of plagiarism?

Deputy head of department Lena Wängnerud gives a short introduction to how we should deal with cases of suspected plagiarism, followed by Q&A.

14:05-14:20 Coffee break with fika and mingle.

14:20-15:05. Entrance assessment procedure and criteria.

Agnes Cornell presents a proposal for a new entrance assessment procedure and criteria, followed by Q&A (proposal sent out together with the agenda)

15:05-15:40. Challenges ahead

Agnes Cornell presents program statistics and potential challenges (structure of the program, content, recruitment, AI etc.). Followed by general discussion.

15:40-16:00. Other questions?
